EBFA Club Instructions on Deleting Old Players and Teams from the System 2023/2024.

Deleting Players

The best way to delete players is to first remove all the players from the teams:

Login

Club TAB

Players on BLACK menu bar

Open player record by clicking on ID#

Change the Assigned Team (N-Ashridge Park Royals) to No Team (none).

Player - Joshua Aaron

A screenshot of a web interface showing a dropdown menu for 'Assigned Team'. The menu is currently set to 'N-Ashridge Park Royals' and has a small downward arrow on the right. Below the dropdown is a link that says 'View Team Page' with a small icon to its left.

Player Information

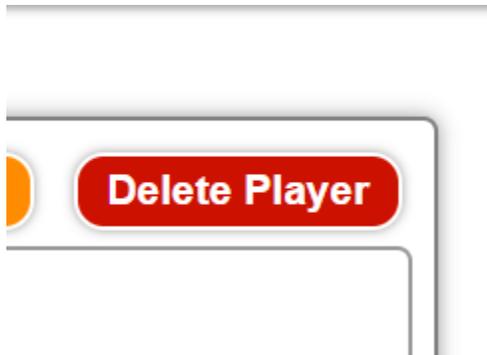

A screenshot of a web interface showing a dropdown menu for 'Assigned Team'. The menu is currently set to '(none)' and has a small downward arrow on the right.

Then Hit the More... {Orange} button

Then Delete the Player

Deleting The Team

Once all the players have been deleted from the team, remove the Managers and Coaches from team

CLUB TAB

Teams on BLACK menu bar

Open team record by clicking on ID Number - {13009-12011}

This opens the team record

Players tab - ensure no players on team

Team Officials

Team Officials

Initially 3 assistant coach, manager, and trainer positions are available. If you fill all 3 assistant positions and save your changes, up to 7 additional positions will be available for each role for a maximum of 10 assistants in each role.

Manager Allpress, Mike ▼ 

+ Assistant Managers...

Coach Allpress, Mike ▼ 

+ Assistant Coaches...

Date Created 03/07/2015 00:53:46

Last Updated 31/05/2018 21:56:45

Delete Team Account

Save Team Account

Set the Manager and Coaches to blanks

Delete Team Account {RED BUTTON}

Delete any Coaches and Managers who are no longer part of the Club/League

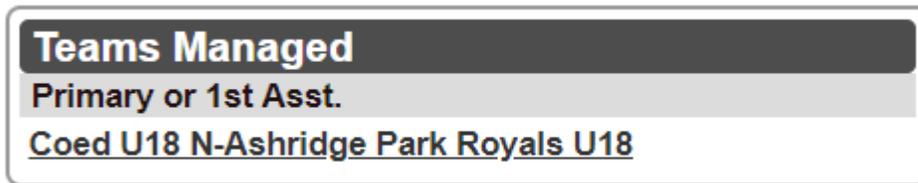

CLUB TAB

Managers on BLACK menu bar

Open manager record by clicking on ID# - {EB0008-3386}

This opens the managers record

Check they are not allocated to a team as manager/coach under Teams Managed

If blank then delete the manager from the system using Delete BUTOON {RED}

Repeat process for coaches

If the players were registered in EBFA in previous seasons - the league will see the players have been deleted and then we will delete their records from our side of the database partition.

Note

Also delete all the players that have been previously archived - ensuring they are removed from any team before deleting

CLUB TAB and Players on BLACK menu bar

Set the Level/Grade to Archive and Press <Apply Filter> button

Then delete the players as previously described

The screenshot displays the GoFootball website interface for managing club player accounts. At the top, there is a navigation bar with the GoFootball logo and the text "GoFootball.co.uk Directors - Club". On the right side of the header, it says "Organization: ashridgeparkfc Registered Club". Below the header, there are several menu items: "Management", "Managers", "Coaches", "Teams", "Players", and "Help". Under "Players", there are sub-links for "Manage Players", "Upload Players", and "Player Search".

The main content area is titled "Club Player Accounts" and includes options for "Create Player Profile" and "Export Players (XLS)". Below this, there is a form with various fields for player information, including "Current League", "Group", "Gender", "Rating", "Player Name", "Player ID#", "Family Acct#", "Team Name", "Player Email", "Parent Name", "Parent Email", "School Grade", "Documents", "Birth Cert", "AI", "Show County Reg", "Foreign Birth Cert", and "Int'l Clearance". There are also buttons for "Apply Filters", "Level/Grade Management", "Assign Team", "Set Player Status Flag", and "Set Flag".

At the bottom, there is a table with the following columns: "Items 1 - 20 of 20", "Level/Grade", "Last First Name", "Fam#", "Family", "School", "Gid", "Inst Code", "DOB", "Gid", "Chr Age", "1819 Age", "Team", "Inst#", "Team Age", "Rating", "Flag", and "Teams". The table currently shows one row of data.
